INFORMATION DISCLOSURE STATEMENT

37 C.F.R. §1.56 and 37 C.F.R. §120

Applicants submit the references listed on the attached form PTO 1449, copies of some of which are enclosed. Some of these publications were cited in an International Search which issued in connection with a Patent Cooperation Treaty application that corresponds to the subject application. Also enclosed is a copy of the Search Report for the Examiner's review.

Pursuant to the provisions of 35 U.S.C. §120, this application relies on the earlier filing date of U.S. patent application serial no. 08/881,189, filed June 24, 1997. With the exception of those references enclosed herewith, the references listed on the attached form PTO 1449 were submitted to and/or cited by the Office in the prior applications, and are therefore not provided with this statement.

The submission of this statement is not a representation that a search has been made, or that no better art exists. This submission is also not an admission that any of the cited references is, or is considered to be, material to patentability or that any of the cited references constitutes prior art to the invention.

This statement is being filed before a first Office Action on the merits. No fees are believed to be due in connection with this matter. However, please charge any costs or credit any overpayment to our Deposit Account No. 08-0219.

Respectfully submitted,
